A person in a dark room is holding a large, glowing ring of light. The ring is bright and circular, casting a strong light on the person's face and the surrounding area. The person is wearing a dark shirt and is looking towards the ring. In the background, a crowd of people is gathered, some looking at the ring and others looking away. The room is dark, with some lights visible on the ceiling and walls. The overall atmosphere is mysterious and intriguing.

WANT TO SUPRISE YOUR GUESTS?

Ask about booking a performance for your event. From DJ's to dancers to circus acts we can create special moments that will be alluring and unforgettable.

For smaller parties not requiring a private room we have cocktail and bottle packages.

We allow outside food and desserts and have a list of catering companies we love.
